

# QUICK APA REFERENCING GUIDE

Citations and references enable a reader of your work to locate the sources of information that you have used in order to back up the information presented to them and to provide support to the discussions and arguments made in your assignments, projects or dissertations.

The **appropriate use of quotes and, paraphrasing** and the **correct use of citations and references** avoids suspicion of plagiarism.

The following are some examples of the American Psychological Association (APA) in-text citation and end-text referencing that has been adopted by Asia Pacific University of Technology & Innovation (APU).

Resources	In-Text Citation	End-Text Referencing (Reference List)
<b>Book: Single Author</b>	One possible definition of primary research is....(Mehra, 2009) <b>or</b> Mehra (2009) stated that...	Mehra, A. (2009). <i>Advertising management: Media approach for market research</i> . Global India Publications Pvt. Limited.
